

4920 N.W. 79th Ave
Doral, FL 33166

August 2, 2010

From: Doral Gardens II Condominium Association

To whom it may concern:

General Mow was contracted by Doral Gardens II Condominium Association since December 2009 with an excellent monthly lawn care service. Some of the big jobs performing during that time were replanting grass, installing of mulch and trimming of trees. General Mow handled every scope of the contract very professionally.

I would like to recommend General Mow, LLC to do your lawn service. They are a competent and caring service group with integrity and class. The staff at General Mow, LLC has gone beyond the call of duty to assure that our lawns, shrubbery and trees are well trimmed and manicured. I can highly recommend them to do your lawn care without reservation. They are honest and forthright in their business dealings.

If you are looking for a lawn care service that will do the job as scheduled and do it well, you can put your trust in General Mow, LLC for you landscaping needs as we are very pleased with their performance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Idalmis Gil', with a long, sweeping underline that extends below the printed name.
